Re: Elevator Safety Board Decision

On June 12th 2007, the Elevator Safety Board made a final decision on the forms to be used for all inspections. Starting July 1, 2007 the standard form used for all Illinois State conveyance inspections will be the ASME forms. These forms can be downloaded from the ASME web site (asme.org).

Any questions please feel free to contact the Elevator Safety Division at the above phone number or 217-558-1751.

Thank you for your cooperation in this matter.
